(SUBJECT.)

Alienation - land - Rent. (S. Kanara) Mangalore taluk Kotekar village S. no. 38/2 and 39/2 - Godown cum reading room and garden. To Kotekar Co-op. Credit society sanctioned

R.O.C.No.B3-6990-40. South Kanara Collector's Office,

Mangalore. 23rd September 1941.

From

M. V. Subrahmanyan, Esq., I.C.S.,

Collector of South Kanara.

The Secretary to the Board,

Land Revenue & Irrigation,

M a d r a s.

Sir,

Alienation - Land and Revenue - Mangalore Taluk - Kotekar village - S.Nos.38/2 & 39/2 - measuring 0.17 and 0.20 acre respectively - For the purpose of constructing a godown cum reading room and a garden - The Kotekar Co-operative Credit Society.

The Secretary of the Kotekar Co-operative Credit Society applies for the alienation of land and land revenue in respect of S.Nos.38/2 and 39/2 of Kotekar village, Mangalore Taluk, measuring 0.17 and 0.20 acre respectively for constructing a godown cum reading room and a garden. I enclose a sketch of the plots and an extract from the adangal in duplicate. The plots S.Nos.38/2 and 39/2 form portions of S.Nos.38 & 39 which stand registered as 'Local Fund Road' poramboke which is vested in the District Board. The plots have been formally excluded from the control of the District Board by the publication of the usual notification under Section 60(3) of the Madras Local Boards Act. The plots adjoin S.Nos.40/1 & 2 of Kotekar village owned by the Kotekar Agricultural and Economic Improvements Co-operative Society Ltd. The application has been recommended by the Deputy Registrar of Co-operative Societies, Mangalore. The Society proposes to construct one single building for the godown and the reading room, the estimated cost of which is reported to be Rs.3,000/- to Rs.3,500/- and the remaining portion of the land will be utilised for a garden. The Deputy Registrar says that the reading room will be thrown open to all communities including the Harijans and that the godown is not meant for a remunerative

purpose. Members who require credit will bring their produce to the Society and they will be given advance on the same. The Secretary says that the reading room will be a free reading room and no rent will be charged for the godown from the members of the Society. It is, therefore, proposed to alienate the lands free of land revenue. I recommend that S.Nos.38/2 and 39/2 of Kotekar village may be alienated in favour of the Kotekar Co-operative Credit Society free of charge on account of the occupancy right and free of assessment but subject to the following conditions:- vide separate sheet attached. The Society has agreed to abide by the conditions. A notice inviting objections to the proposed alienation has been published in the village but no objections have been received. The plots are devoid of any tree growth or improvements. I enclose statements of alienation of land and land revenue in duplicate as well as subdivision records.

For Collector.

APPENDIX

Particulars of land.

Taluk: Mangalore.
Village: Kotekar.
S.No. 38/2; 39/2.
Extent: 0.17 & 0.20 acre.
Assessment:

Particulars of buildings.

The land shall be used for the purposes of a godown cum reading room and a garden and for no other purposes.

2. The buildings ~~as specified in the margin~~ shall be erected on the land and the garden laid out within 2 years from the date of the grant. No other buildings shall be erected on the land without the previous permission of the Collector.

3. The grantee shall maintain the buildings after their construction in accordance with condition 2, in good condition. Such repairs as the Collector may consider necessary from time to time shall be executed by the grantee within such time as the Collector may fix and to his satisfaction. In the event of default, the repairs shall be carried out by the Collector and the cost thereof recovered from the grantee.

4. The Government may resume the land wholly or in part with any buildings thereon in the event of infringement of any of the conditions of the grant. In the event of such resumption no compensation shall be payable for any improvements that may have been effected or other works that may have been executed on the land by the grantee. If there are buildings on the land, the Government may direct the grantee to remove them and { if the grantee refuses to remove the buildings when so directed, the Govt. or any officer empowered by them in this behalf shall have power to remove the buildings and realise the cost of such removal by the sale of the material }

5. The ~~school~~ reading room and godown shall be open to members of all classes including the depressed classes. No fees will be charged for the reading room and no rent for the godown.

6. The Government may resume the land wholly or in part with any buildings thereon, if in the opinion of the Government the land is required for a public purpose or for conducting mining operations.

7. In the event of resumption or acquisition of the plot for any reason, no compensation shall be payable for any buildings erected without permission.

8. In the event of resumption under condition 6 if ---------- there are buildings on the land, the Government may at their --- option either

(a) purchase the buildings, or

(b) direct the grantee to remove the buildings.

9. In the event of the resumption of the land followed by the purchase of the buildings under condition 8 or in the event of --- the acquisition of the land for any reason the compensation payable for buildings or other improvements shall in no case exceed the initial cost or the value at the time of resumption of ------ acquisition whichever may be less, of any buildings erected or -- other improvements effected on the land by the grantee in ------- accordance with the terms of the grant. Any grant which may be made by Government towards the cost of any buildings shall be --- deducted from the compensation payable to the alienee.

10. In the event of the grantee refusing to remove the ------ buildings, when so directed under condition 4 or 8, the Government may remove them and realize the cost of removal by the sale of the materials.

11. In the event of the voluntary relinquishment of the land by the grantee, no compensation shall be payable for any improvements that may have been effected or for works that may have been executed on the land by the grantee.

12. Full land revenue shall be levied if at any time any net income is derived from the land or if any of the conditions of --- alienation are infringed. In the latter case full land revenue shall be levied from the date of such infringement.

13. The market value of the land shall be collected if at --- any time it is found that the alienee derives a substantial ----- income from it.

14. The Government reserve to themselves the right to ------- all sandalwood trees and their branches and roots which ----------

exist at the time of alienation as well as those which may grow subsequently on the land and the Government shall be at liberty to cut or dig out any such trees or their roots and branches and remove them from the land at their pleasure. The alienee shall not be entitled to cut or remove them or cause them to be cut or removed without the permission of the Collector of the district.

15. The alienee shall take all reasonable measures to the satisfaction of the Collector of the district for the protection of the sandalwood trees from theft or damage and for the careful protection of the immature trees growing on the land.

16. The alienee shall take steps to see that the marks made by the officers of the Government on the sandalwood trees are preserved and are not tampered with.

17. In the event of the infringement of, or failure to observe any of the conditions (14) to (16) the alienee shall pay to the Government such compensation as is determined by the Collector of the district for any loss or damage caused by such infringement or failure on his part. The Government shall also be at liberty to resume the land and re-enter on it and the whole land shall thereupon vest absolutely in the Government. In that case the alienee shall not be entitled to any compensation whatever.

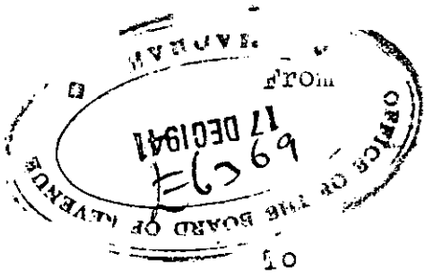
R.O.C.No.3530- 41-B. South Kanara Collector's Office,
Mangalore, 14th December 1941.



From

V. Subramanyan, Esq., I.C.S.,
Collector of South Kanara.

To

The Secretary to the Board of Revenue,
Land Revenue & Irrigation,
Madras.

Sir,

Alienation - Land and Revenue - Mangalore Taluk - Kotekar village - S.Nos.38/2 & 39/2 - measuring 0.17 and 0.20 acre respectively - For the purpose of constructing a godown cum reading room and a garden.

Ref: Board's Ref.E.No.4789-41-1, dated 25.11.41.

S.Nos.40/1 & 40/2 together form one compound and are at present under one mud wall enclosure. In S.No.40/1, there exists a house building with a thatched roof and the cowpen attached to it falls in S.No.40/2. I enclose a sketch for reference. The house building is being tenanted by one Dogra Gaddy. In S.No.40/2, there exist a steined well and a tiled building which is used as a cow pen. This cow shed is open to the public who can pen their cows in it free of charge. Both S.Nos.40/1 & 2 are being used for raising pulses, dry crops etc. It is said that cultivation in these plots is intended for ----- demonstration purposes. But these plots belong to the Kotekar Agricultural and Economic Improvement Co-operative Society which is quite a different body from the Kotekar Co-operative Credit Society in whose name the plots S.Nos.38/2 and 39/2 are proposed to be alienated. The Kotekar Co-operative Credit Society cannot use any portion of S.Nos.40/1 & 2 as they ------ belong to a different body.

for Collector.

I see no reason why L.V. Pt. A should not be fixed. The godown is intended for the benefit of the Co-op. Society. I don't understand the remark that no rent will be charged for the godown. Cultivators deposit their produce & not, godown. Cultivators take loans. The interest charges presumably cover incidental charges also including rent of godown in godown. There must be similar cases previously Put up precedents for manner of L.V & Pt. A. in the case of sites for Co-op. Society Godowns.

Ref:- Member's remarks overleaf -

Attention is invited to G.O. No. 72 Rev. dt. 17.1.24. in which the Govt. approved the recommendations of the Board that when rural Co-op. Societies apply for vacant house-sites in villages for building purposes including sites for mills, they may be granted the concessions which are applicable under B.S.O. No. 21 - Section 1 to assignment of house sites in Villages, to ryots and that when town sites are applied for they shd be required to pay both the value of the site and conveyance.

Recently in G.O. No. 1958 Rev. dt. 27.8.41, the Govt. sanctioned the alienation of land to a Co-op. Society for the site of an mill room cum godown free of value for land but subject to payment of assessment.

No precedents where land was given free of both market value of land revenue are traceable

The land in the present case lies in a village and is to be used as the site of godown cum reading room and garden. Now

4/11/41 The godown will probably be
carmarked out of the general
funds & profits of the society
with a 50 % power from the
Govt of India. It is submitted
that the interest is likely to
see the same whether the
borrower keeps the produce
in his own godown under the
seal of the co-operative society
or in the godown of the society.
In view of G.O. 72 S) 17.1.1924
it appears unnecessary to
reserve land value of land
revenue. Provision may however
be made to recover ground rent
if & when leasehold becomes
permissible under the rules. The
village is declared a town. Such
a provision is found in Coimbatore
